

DANIEL WONG

A Better Fort Bend - A Brighter Future

REPUBLICAN FOR FORT BEND COUNTY JUDGE

ISSUES:

1. LOWER PROPERTY TAXES YOU CAN ACTUALLY FEEL

Homeowners across Fort Bend are carrying too much of the tax burden. Daniel Wong is committed to delivering real relief—not just slowing increases, but lowering your bill.

- Use office to advocate for a cap on appraisal hikes and stop backdoor tax increases
- Audit government waste and prioritize fiscal discipline
- Protect seniors and working families from being taxed out of their homes

“Your tax bill should go down—not just grow slower.”

2. ECONOMIC DEVELOPMENT & HIGH-PAYING JOBS

The best way to relieve pressure on homeowners is to grow the economy and expand the tax base. Daniel Wong will lead with a business-minded approach to job creation and growth.

- Attract high-quality employers and new industries to Fort Bend
- Grow the commercial tax base to ease the burden on homeowners
- Promote smart development and streamline small business permitting
- Invest in infrastructure that supports sustainable growth

“When businesses invest here, families win—and homeowners save.”

3. INFRASTRUCTURE & FLOOD PROTECTION

Too many neighborhoods have been overlooked for too long. Daniel Wong will fight for fair investment in every part of Fort Bend—not just the newest developments.

- Fix potholes and repave neglected roads in older neighborhoods
- Hold developers accountable for building infrastructure the right way
- Prioritize lasting flood control and drainage improvements
- Ensure taxpayer dollars go to high-impact, community-first projects
- Work with local authorities for reliable access to safe, clean drinking water for all residents

“Every neighborhood matters—and every family deserves clean water and strong, working infrastructure.”

4. EDUCATION & WORKFORCE DEVELOPMENT

Preparing the next generation means offering real-world options. Daniel supports education that opens doors to college, careers, and entrepreneurship.

- Expand skilled trades, apprenticeships, and workforce training
- Align local education with local economic opportunities
- Support teachers and focus resources on student success

“Opportunity isn’t a handout—it’s a launchpad to a better life.”

5. PUBLIC SAFETY & QUALITY OF LIFE

A strong county starts with safe neighborhoods. Daniel Wong will ensure Fort Bend families are protected and proud of where they live.

- Support law enforcement and first responders
- Reduce crime through prevention, accountability, and enforcement
- Improve lighting, clean up blight, and invest in parks and public spaces

“Safety is a fundamental right, and it is the promise we make to every member of our community.”
